

on vessels of unlimited tonnage over a particular route, the applicant must have sufficient experience on vessels of more than 1,600 GRT.

(b) For purposes of this section, an applicant is considered to have sufficient experience if the applicant has 18 months of experience as master, mate, quartermaster, wheelsman, able seaman, apprentice pilot, or in an equivalent capacity, standing regular watches at the wheel or in the pilothouse as part of routine duties, on vessels of 1,600 GRT or more, and two-thirds of the minimum number of roundtrips required for the route have been on vessels of 1,600 GRT or more.

(c) If an applicant does not have sufficient experience on vessels of 1,600 GRT/3,000 GT or more, the endorsement will be for a limited tonnage until the applicant completes a number of additional roundtrips, as determined by the OCMI, within the range contained in § 11.705(b) or (c) of this subpart, as appropriate on vessels of 1,600 GRT/3,000 GT or more.

(d) For purposes of this section, for experience with respect to tonnage on towing vessels, the combined gross tonnage of the towing vessels and the vessels towed will be considered. However, the Coast Guard may require that all or a portion of the required number of roundtrips be obtained on self-propelled vessels of 1,600 GRT or more, when the Coast Guard determines that due to the nature of the waters and the overall experience of the applicant, self-propelled vessel experience is necessary to obtain a first-class pilot endorsement that is not restricted to tug and barge combinations.

[USCG–2004–17914, 78 FR 77909, Dec. 24, 2013, as amended by USCG–2004–17914, 79 FR 55657, Sept. 17, 2014]

§ 11.713 Requirements for maintaining current knowledge of waters to be navigated.

(a) If a first-class pilot has not served over a particular route within the past 60 months, that person's license or MMC endorsement is invalid for that route, and remains invalid until the individual has made one re-familiarization round trip over that route, except as provided in paragraph (b) of this section. Whether this requirement is sat-

isfied or not has no effect on the renewal of other licenses or MMC endorsements. Roundtrips made within the 90-day period preceding renewal will be valid for the duration of the renewed license or MMC endorsement.

(b) For certain long or extended routes, the OCMI may, at his or her discretion, allow the re-familiarization requirement to be satisfied by reviewing appropriate navigation charts, coast pilots tide and current tables, local Notice to Mariners, and any other materials that would provide the pilot with current knowledge of the route. Persons using this method of re-familiarization must certify, when applying for renewal of their license or MMC endorsement, the material they have reviewed and the dates on which this was accomplished. Review within the 90-day period preceding renewal is valid for the duration of the renewed MMC endorsement.

Subpart H—Registration of Staff Officers and Miscellaneous Endorsements

§ 11.801 Applicability.

This subpart provides for the registration of staff officers for employment on vessels documented or numbered under the laws of the United States. Staff officers must be registered if serving on most vessels in ocean service or on the Great Lakes.

§ 11.803 Staff departments.

(a) Title 46 U.S.C. 8302 contains the requirements for staff departments on U.S. flag vessels.

(b) Title 46 U.S.C. 8302 does not apply to—

- (1) A fishing or whaling vessel or yacht;
- (2) A vessel operated only on bays, sounds, inland waters, and lakes (other than the Great Lakes); and
- (3) A vessel ferrying passengers and cars on the Great Lakes.

§ 11.805 General requirements.

(a) The applicant for an endorsement as staff officer is not required to take any examination; however, the applicant must present to the Coast Guard a

Coast Guard, DHS

§ 11.821

letter justifying the need for the endorsement.

(b) An applicant for a higher grade in the staff department must apply in the same manner as for an original endorsement and must surrender the previous Coast Guard-issued credentials upon issuance of the new MMC. A staff officer may serve in a lower grade of service for which he or she is registered.

(c) Title 46 U.S.C. 8302 addresses uniforms for staff officers who are members of the Naval Reserve.

(d) A duplicate MMC may be issued by the Coast Guard. (See § 10.229 of this subchapter.)

(e) An MMC is valid for a term of 5 years from the date of issuance. Procedures for renewing endorsements are found in § 10.227 of this subchapter.

(f) Each applicant for an original or a higher grade of endorsement, as described in paragraph (b) of this section, must produce evidence of having passed a chemical test for dangerous drugs or of qualifying for an exception from testing in § 16.220 of this subchapter. An applicant who fails a chemical test for dangerous drugs will not be issued an MMC.

§ 11.807 Experience requirements for registry.

(a) The applicant for a certificate of registry as staff officer must submit evidence of experience as follows:

(1) *Chief purser*. Two years of service aboard vessels performing duties relating to work in the purser's office.

(2) *Purser*. One year of service aboard vessels performing duties relating to work in the purser's office.

(3) *Senior assistant purser*. Six months of service aboard vessels performing duties relating to work in the purser's office.

(4) *Junior assistant purser*. Previous experience not required.

(5) *Medical doctor*. A valid license as physician or surgeon issued under the authority of a state or territory of the United States, the Commonwealth of Puerto Rico, or the District of Columbia.

(6) *Professional nurse*. A valid license as a registered nurse issued under authority of a state or territory of the United States, the Commonwealth of

Puerto Rico, or the District of Columbia.

(7) *Marine physician assistant*. Successful completion of an accredited course of instruction for a physician's assistant or nurse practitioner program.

(8) *Hospital corpsman*. A rating of at least hospital corpsman or health services technician, first class in the U.S. Navy, U.S. Coast Guard, U.S. Marine Corps, or an equivalent rating in the U.S. Army (not less than Staff Sergeant, Medical Department, U.S.A.), or in the U.S. Air Force (not less than Technical Sergeant, Medical Department, U.S.A.F.), and a period of satisfactory service of at least 1 month in a military hospital or U.S. Public Health Service Hospital.

(b) Employment on shore in connection with a vessel's business may be accepted instead of service aboard vessels. Related shore employment is accepted in the ratio of 2 months of shore service to 1 month of creditable service aboard vessels.

(c) In computing the length of service required of an applicant for an endorsement, service of one season on vessels on the Great Lakes is counted as service of 1 year.

(d) In the event an applicant for an endorsement, other than medical doctor or professional nurse, presents evidence of other qualifications that, in the opinion of the Coast Guard, is equivalent to the experience requirements of this section and is consistent with the duties of a staff officer, the Coast Guard may issue the MMC.

§ 11.821 High-speed craft type-rating.

(a) This section is only applicable to those persons who will be serving or have served upon those vessels built and operated in accordance with the International Code of Safety for High Speed Craft (HSC Code).

(b) To qualify for a high-speed craft type-rating endorsement (TRE) for operating vessels to which the HSC Code applies, an applicant must—

(1) Hold a valid officer endorsement for vessels of commensurate grade, tonnage, route, and/or horsepower; and

(2) Present evidence of successful completion of a Coast Guard-approved type rating training program.
